FORD TRANSIT V363 2023-2025

SPECIAL VEHICLE PRODUCTS

Hamer Exterior Accessories - Premium Upgrades for Work & Play

Upgrade your vehicle and maximize your output with our Utility & Commercial Solutions. We provide Hamer's precision-engineered components designed to transform standard Ford Transits into high-performance workhorses that extend vehicle lifespan, enhance load capacity, and improve operational efficiency in the most demanding environments.

The Exterior Collection
Available as individual components to suit your specific requirements.

ALUMINUM FLAT RACK

Hamer aluminum flat rack (included mounting bracket & wind deflector)
Lightweight, rust-resistant modular system. Includes mounting brackets and a wind deflector for improved aerodynamics.

REAR LADDER

Secure, high-durability access to roof storage and equipment.

UNDERBODY PROTECTION

(1st piece) under vehicle protection plate
High-strength shielding for critical underbody components.

FRONT BUMPER

Thunder series nudge bar
Maximum impact protection against site hazards and debris.

SIDE STEPS

Conquest rock slider chassis mounting
Anti-slip, wide-platform design for safe and rapid access.

REAR BUMPER

Tow hitch with tow ball (with/without side rail)
Features an integrated tow hitch with tow ball. Available in two configurations: with or without side rails.
